John D. Rogers, who became president of the Pahokee Rotary Club yesterday at noon said this week that the Rotary District Governor, William J. (Bill) Burke of Fort Lauderdale, will make his annual visit to the Pahokee club on Thursday, July 28, instead of the 21st.

The district governor will speak to the entire club at the noon meeting at 12:15 p. m. on the 28th, will meet with the president and secretary at 4:00 p. m. and then at 8:00 p. m., Governor Burke will meet with the committees and hear the report of each committee at that time.

Federal Announces 5 Pct. Rate

Everglades Federal Savings and Loan Association of Belle Glade and Pahokee announces a new dividend rate to be paid effective today—July 1—according to President Richard Poston. The new rate of 5% on savings certificates that remain on deposit for a minimum of 12 months is effective today—July 1, Mr. Poston said. The current dividend rate on pass book savings remains the same as it has been for four years—4½ percent. On these savings interest is compounded quarterly, Mr. Poston said.

On the new savings certificates the new rate will apply to all certificates of deposit with a minimum of \$1,000 or multiples of that figure.

ZIP CODE STORY ON WPTV

"A Straight Line—The Story of ZIP Code" a new film will be shown on Channel 5, WPTV television on Saturday, July 2, at 12:30 p. m. The film is in color and will run twenty-five minutes.

Visiting Hours To Be Enforced

J. C. Simonds, Jr., administrator of the Everglades Memorial Hospital, is asking for the full cooperation of the public in observance of visiting hours at the hospital, and is making a special appeal to the Pink Ladies of the Hospital's Woman's Auxiliary to assist by making every effort to see that the visiting rules are enforced.

Mr. Simonds points out that here are no visiting hours during the mornings, except in special cases where the patient is in a private room. The visiting hours in the afternoons and evenings are definitely designated, and unless these visiting hours are strictly observed, there is interference in the work at the hospital, and, in some cases, uncontrolled visitations are detrimental to the welfare of patients.

Although all types of services being so generously contributed to the hospital by the Pink Ladies are greatly appreciated by the hospital staff, the manning of the reception desk is rated as the most important. If a Pink Lady is doing some kind of work on the first or second floor and sees, or is informed, that there is no one stationed at the reception desk, it is her duty to go to the reception desk and work there until relieved. And while stationed at the reception desk, it is her duty to curb, politely but firmly, all unauthorized, untimely visitation. By carrying out this duty in a tactful manner, she is doing Everglades Memorial a most valuable and appreciated service, according to Mr. Simonds.

\$4 Million Court House Bond Issue

Palm Beach county commissioners on Tuesday of this week in regular meeting voted unanimously to employ Goodbody and Company and Thomas M. Cook investment firms as their fiscal agents in promoting and selling a \$4 Million dollar bond issue to construct a proposed court house annex.

The commissioners were not certain when the issue would be sold. Nor were they certain as to when construction work might be expected on the court house annex. It is thought that it will take 36 to 48 months to "get the show on the road." Impetus has been given the bond issue by judges in the court house who have said that more room is needed to carry on their work.

Robert Welty Ann Peacock Wed Saturday

The Canal Point Baptist Church, its altars decorated with two floor baskets of white pompons against a bank of potted palms, was the scene Saturday, June 25, at 7:30 p. m. of the wedding of Miss Anita Louise (Ann) Peacock of Pahokee and Robert L. Welty of Belle Glade. The couple repeated their vows in the double-ring, candlelight ceremony after Rev. Lawrence Stewart, pastor, as they stood beneath an arch formed by four tree candelabra bearing cathedral-type tapers. Pews reserved for relatives were marked with white satin bows centered with white pompons.

The bride is the daughter of Mr. and Mrs. Calvin J. Peacock, 1850 E. Main Street, Pahokee. She graduated from Pahokee High School with the Class of 1964, and is now employed in the offices of the Pahokee Housing Authority. A majority member of Pahokee Assembly 16, Order of Rainbow for Girls, she is also a member of Phi Gamma Nu Chapter, Beta Sigma Phi Sorority.

The bridegroom, son of Mr. and Mrs. Earl D. Welty, 1549 W. Canal Street, Belle Glade, graduated from Belle Glade High School in 1962. He was an outstanding track star, winning both the 100- and 200-yard dashes in State track meet competition, while attending high school. He is presently a member of the National Guard, and is employed by Winn-Dixie Kwik Check Stores at Belle Glade.

Mrs. Lawrence Stewart, Vocalist, sang "Walk Hand in Hand" and "The Wedding Prayer," accompanied at the piano by Miss Jann Plummer, who also played traditional nuptial selections.

Miss Verlon Jones, maid of honor, wore a full-length gown of organza over satin in peacock blue, fashioned with empire waistline and satin streamers from the bow at the back flowing to the floor. A small over-the-face veil was attached to a pillbox hat designed of materials matching the gown. She carried a cascade of shasta daisies and pompons.

The bride's other attendants Miss Paula Gail Bryant and Miss Davene Watson, bridesmaids, and Mrs. Peggy Parris, bridesmatron, all wore gowns of cascade blue, designed identical to that of the maid

of honor and their flowers also were the same as those carried by Miss Jones.

Escorted to the altar and given in marriage by her father, the bride wore a gown of Chantilly lace over taffeta with the fitted bodice fashioned with a scalloped neckline, and the long sleeves extended to points over the wrists. The full skirt of tiered lace extended into a chapel train. The elbow-length veil of silk illusion fell from a crown of lace and pearls. She carried a cascade of French carnations with pearl leaves backed with simlax.

Jackie and Mia Parris, flower girls, were dressed in full-length gowns of cascade blue and carried baskets of rose petals. David Stewart was ring bearer; and Scott Parris, train bearer.

Johnny Outz served as Mr. Welty's best man. Ushers were Jerry and Terry Peacock, brothers of the bride, and Kenneth Welty, brother of the bridegroom.

Mrs. Glenn Levins, cousin of the bride, was the wedding director.

Mrs. Peacock chose for her daughter's wedding a pink lace dress with matching accessories. Mrs. Welty, mother of the bridegroom, also wore a pink lace dress with white accessories. The corsages of both mothers were of pink sweetheart rosebuds.

The bride's parents were hosts at the reception in the social hall of the church following the ceremony, with Mrs. Charles Brown

serving as reception director, assisted by Mrs. Charles Maxson. The guests entered the recreation room through a cedar archway. The Misses Pam and Ralena Ursry and Teryl Echols sang. Miss Linda Wilson was at the guest book. The refreshment table was laid with a white organdy tablecloth and was decorated with a bouquet of pink mums and pink roses. A silver candelabra entwined with pink sweetheart roses and pink candles was on the table. The punch was served from a silver punch bowl and mints and nuts were in silver compotes. The all-white 4-tier wedding cake was adorned with the traditional bride and groom on the top. Serving at the refreshment table were Mrs. James M. Vandegrift, Mrs. William Kennedy, Mrs. Joyce Humphries, Miss Pam Boe and Miss Janet Connell.

Others assisting at the reception were Mrs. Ray Ursry, Mrs. Charles Maxson, Mrs. Joe E. Thompson, Mrs. Tommy Parker, Mrs. Harry Levins, Mrs. Rusty Hall, Mrs. Richard Weeks, Mrs. Creed Nobles of Punta Gorda, Mrs. James Chaplin of Miami and Miss June Rogers.

Because of the severe injuries suffered by the bride in a car accident near Clewiston on June 12, Mr. and Mrs. Welty are postponing their honeymoon until a later date. They are making their home at 330 S. W. Avenue B in Belle Glade.

Jimmy Holman left recently for Salem, West Virginia, where he will attend eight weeks of summer school.

Mr. and Mrs. Luther Collier of Cantonment, Florida, spent the past week as guests of her parents, Mr. and Mrs. H. J. Anderson.

APPRECIATION

We would like to thank each and every person who helped in any way to make the season of the Pahokee Youth Base Ball Association a complete success. Without this splendid assistance it would have been impossible to have completed the season in such wonderful style. We also want to thank Hunter Ice Company for the ice they donated to the cold drink stand. This is greatly appreciated.

Deaf Man Perfects Midget Transistor Hearing Aid

If you can hear people talk and can't make out the words clearly, then this will be your answer. An extremely small hearing aid using a tiny energized unit, has been perfected by a man who himself is hard of hearing and has been for over 10 years. With his new aid even whispers are crystal clear. If interested it is suggested you write HEARING, 32 E. 9th St., Erie, Pa. You will receive full information at no cost or obligation whatsoever.—Adv.

Why should you buy
 U. S. Savings Bonds when there are
 so many other good investments?

To help your country is one answer—and a good one.

But Bonds have other advantages that make them worth your consideration.

For instance, they offer you just about the easiest way to save money: either with the Payroll Savings Plan where you just ask your employer to put part of your wages aside toward a Bond or through regular purchase of Bonds at your bank.

Another unique advantage of U. S. Savings Bonds is the way they stick with you. They can stay with you any time.

But if you're like most people, you'll hang on to your Savings Bonds for the big things you want in your future.

And, of course, Bonds are a safe investment—as long as there's a United States of America.

Which brings us back to your country again. Bonds help defend freedom at a time when the enemies of freedom are stronger than ever.

Buy Savings Bonds. The banks or savings institutions that sell them don't charge you a penny for the service.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
U.S. SAVINGS BONDS
